

In consideration for my being allowed to participate in the Milwaukee Fire Department Junior Fire Institute Summer Training Camp on June 24 - 27, 2026 event, on behalf of myself, heirs, executors, and assigns, I waive any and all claims I may have for damages of any nature against the Milwaukee Fire Department, City of Milwaukee, their affiliates and subsidiaries. I hereby state that the Milwaukee Fire Department, JFI, nor it's instructors or volunteers, are to be held responsible for any injury during the event, or effects after/during the four day three night camp. I acknowledge that I have been informed that I must be physically fit and in good health to participate in this event, and that I have trained sufficiently to participate in the event. I hereby consent to my photo and likeness being used on Milwaukee JFI and Fire Department Social Media platforms, during this camp and in future publications.

I further state that I am in proper physical condition for the event, realizing the special risks of performing in gear during the different stages of this camp.
